Serial No.: 09/580,904

Filed: May 31, 2000

TRANSMITTAL OF CERTIFICATE OF CORRECTION

Commissioner for Patents
Attn: Certification of Corrections Branch

Sir:

The Certificate of Correction submitted herewith corrects a typographical error in issued Claim 7 of issued U. S. Patent 7,100,116 B1, where:

- the word “users” was incorrectly omitted and
- the word “as” was incorrectly inserted

in the “determining a status ...” claim element. That is, “determining a status of the one or more network as associated ...” should recite “determining a status of the one or more network users associated ...” in col. 12, lines 52 - 53 of issued U. S. Patent 7,100,116 B1.

No new matter is introduced with this Certificate of Correction. See, for example, the amendment filed on October 5, 2005, where then-numbered Claim 6 – which issued as Claim 7 – includes the (incorrectly omitted) word “users” but does not include the (incorrectly inserted) word “as”.

Respectfully submitted,

Date: September 1, 2011
